

Kalea - Overview

Villa Kalea is a cutting-edge villa situated on Crete's dramatic shores, overlooking the beautiful bay of Chania. With direct access to the sea and a spectacular outdoor pool terrace, this exclusive villa is one of the islands very best.

The architecture of the villa is akin to the most elite resorts of the island, with vast panoramic windows, a chic minimalistic style and state of the art furnishings. Natural light is plentiful, giving each room a spacious feel, complimented by the calming white colour scheme, interspersed with authentic stone walls. The open-plan living space is the villa's largest room, where sliding doors provide easy access to the sea-view pool terrace, and stylish seating lets you relax in comfort. Close by, the dining area and kitchen provide an additional communal space, with magnificent views through the panoramic windows, and stylish seating for dinner times. There is also an additional living room located on the top floor.

Outdoors, the villa offers a spectacular terrace, with a private infinity pool, fashionable loungers and sunbeds and plenty of space to soak up the sun and the sea views. Remarkably, Villa Kalea is one of the few properties in the area to offer direct access to the sea via a private pathway.
