

La Danse des Etoiles - Overview

La Danse des Etoiles is a stunning five bedroom villa and an extraordinary achievement of design and craftsmanship. The melding of wood and stone throughout gives the villa a cool and relaxing ambiance and the carefully selected furnishings ensure that this is one of St. Barths most stylish and finest villas.

The entrance to La Danse des Etoiles leads directly into the main living, dining and kitchen area, where high ceilings and panoramic views give it an airy, loft-like feel. To the west, an entire wall of glass slides out of sight, opening the space to the large terrace, infinity pool, and broad vista over the bays of Lorient and St. Jean, the Atlantic and St. Maarten visible in the distance.

Three bedrooms are located on the villa's pool level and are well furnished with dark woods and chocolate-hued leather. The first bedroom has views to the east and south, features a glass-tiled en-suite bathroom, generous wardrobe space and a private deck with chaises and an outdoor shower.

The second and third bedrooms also have their own secluded, private outdoor spaces, as well as en-suite bathrooms.

The remaining two bedrooms are located on the lower level and have a living and entertainment area and also have private en-suite bathrooms. This level also has a fitness room.

The kitchen is open plan and fully-equipped. The indoor dining area has seating for 8 guests or you may wish to dine al fresco. The living area has plush sofas for 10 guests.

A teak deck beneath a large canvas awning offers plentiful seating for relaxing in the shade or dining outdoors. There is a professional BBQ grill makes barbecuing a breeze. Just beyond the terrace is a nautilus shaped bathroom. A lower terrace beyond the swimming pool provides a secluded space for sunbathing or to simply admire the glorious views.
