

La Paloma Barbados - Overview

La Paloma Barbados is a beautifully furnished five bedroom villa directly on the beach on the west coast. Offering fabulous value for money and location.

The main ground level features one bedroom and a games room with pool table. The lovely dining room features beautiful hardwood flooring and exudes an authentic Caribbean colonial style similar to what you may see in a plantation house. Relax in the living room whilst you cook prepares delicious meals in the well equipped kitchen, or take a splash in the pool and catch some sun in the garden.

A few steps from the villa and through a gate and your toes will touch the sands of Barbados and the warm Caribbean sea! Absolute heaven...and best of all, enjoy stunning sunsets right at your doorstep every evening.

Four additional bedrooms can be found on the upper level – one being a master queen size suite and three twin bedrooms. All are air-conditioned with ceiling fans and en suite bathrooms.

Bed Sizes: Master bedroom has a queen bed, bath and separate shower.

2nd, 3rd and 4th bedrooms have twin beds that can be made into Kings if requested. 5th bedroom has a king bed.

La Paloma Barbados is located next door to [Seawards](#) – a three-bedroom property.
