

Odyssey at Kamique - Overview

Odyssey at Kamique is one of three villas that make up Kamique Villas on the stunning island of Anguilla. Odyssey at Kamique is a beautiful four bedroom villa located on Anguilla's South Shore and commands stunning views of the secluded cove beach and the mountains of St. Martin.

The villa is located within tropical gardens. The pristine sandy beach is just steps away where you can enjoy relaxing on plush sun loungers. The surrounding waters at Odyssey Kamique are calm and protected by a reef which is excellent for snorkelling.

Odyssey at Kamique has been tastefully decorated and has a modern / contemporary feel. A rich blend of woods, stone and concrete creates a sensual yet modern island-inspired environment. A touch of the tropics provides a sense of romance.

Odyssey has four luxury bedrooms and can accommodate up to 8 guests. Each bedroom has an en-suite bathroom, complimentary l'Occitane toiletries, a TV and are air-conditioned. The two grand master suites each offer an outdoor shower with a private sunning area.

The open plan kitchen / living area has French doors that lead directly out to the pool deck. The pool deck is furnished with sun loungers that surround the swimming pool. You have the choice of dining inside the villa but most guests prefer to dine al fresco and enjoy the magnificent views.

The rates include a team of staff including housekeeper and concierge service and also continental breakfast.

The villa is within easy reach of the beach and ocean, town and shops as well as the CuisinArt Golf Course and Spa. In nearby Sandy Ground, "the entertainment capital of Anguilla," you will discover a sleepy village by day that lights up at night with imaginative beach bars and hot night spots.
