

## Pelican House at Blue Waters - Overview

Pelican House at Blue Waters Resort and Spa uniquely comprises of two neighbouring three-bedroom villas that can be combined into one 6-bedroom villa. This is the perfect choice for larger families and groups of friends.

Each villa features a master bedroom and 2 further bedrooms, all en-suite, along with a dining room, fully equipped kitchen and private patio or balcony. Each of the villas has direct access to an infinity pool overlooking the Caribbean Sea. Please note guests may share the one pool at Pelican House if only booking a one-three bedroom Villa.

Families and groups will love the Pelican House at Blue Waters social accessibility with indoor and outdoor dining areas and views of the Caribbean Sea. Each villa features air-conditioning, WiFi, tea & coffee making facilities, hairdryer, flat screen TV and a large fridge which is stocked to order if booked on the all inclusive basis.

Pelican House at Blue Waters has several dining options and an abundance of activities to cater for all the group. Whether you want to go snorkelling in the Caribbean Sea, relax in the Spa or workout in the resort's gym, there is something for everyone.
