

## The Crane - Overview

The Crane is one of the most luxurious resorts in Barbados offering a range of accommodation options to suit couples and families alike. The resort is located on the south east coast and overlooks one of the most famous and striking Caribbean beaches, Crane Beach. The property has built a cliff side elevator to give direct access to the beach where pink sands and loungers await. Enjoy some boogie boarding in the waves or if you rather something less energetic, there are several pools, including a multi cascading impressive pool complex to relax next to with a cooling cocktail.

With over 200 suites and residencies, many offering private pools and stunning ocean views, let us assist you in choosing the right residence for you. Junior Suites accommodate up to 2 and have garden views and small kitchens, whilst the one to three bedroom residences and penthouses offer larger options with full kitchens and spacious living and dining rooms. For added luxury, opt for a residence with private plunge pool or a ground floor residence with a 28ft pool.

The Crane has an impressive array of facilities at your disposal. With a range of restaurants including L'Azure offering continental cuisine whilst boasting stunning views of the beach, and Zen the resorts signature Thai and Japanese restaurant with authentic cuisine, private dining booths and a tatami room available for larger groups. Italian cuisine is on offer at D'Onofrio's, located within the Crane village with its range of shops and boutiques, and enjoy poolside casual fare or a cocktail at the Carriage House. Bar 1887 is the spot for a pre or post aperitif and to mingle with other guests. The resort also features a gym, tennis court, spa with an excellent range of treatments and concierge desk to assist with activities and restaurant reservations.
