

VILLA ADAIRA - OVERVIEW

Villa Adaira is a family-friendly villa situated within easy driving distance of Puerto Pollensa. Enjoy a tranquil setting while being close to Majorca's beautiful beaches.

The villa is a modern structure, with white-washed walls and a pleasant garden setting. Inside the design is light and airy, with an inviting décor style that is homely and inviting. This is especially evident in the living room, where two sofas and a flat-screen TV provide the perfect place to relax in the evening. This wrap-around room also features a dining table with seating for six and is close to the modern kitchen which you'll find well-equipped for your culinary convenience.

Outside, the villa is surrounded by an attractive garden, with lawn space to take advantage of, a covered terrace area for al fresco dining and a beautiful outdoor swimming pool with loungers. An additional dining table on a sun-soaked patio gives you the perfect place to watch the sunset with a glass of Sangria.
