

Villa Aquamarine - Overview

Villa Aquamarine is a truly unique holiday villa featuring five king bed ensuite bedrooms.

Villa Aquamarine is set on over 16,000 sqm of private acreage with 550 sqm of internal space and is the epitome of luxury villa living. Boasting extensive external terraces in white alabaster marble, dining and entertaining areas, Ibiza dry stone walls, manicured lawns, landscaping and luxurious olive & citrus groves, this villa is sure to impress the most discerning traveller.

Villa Aquamarine features five stylish king bedrooms with ensembles ranging from 25 – 50 sqm, each with their own external terrace and bathroom equipped with Molton Brown toiletries, ceiling rain showers, feathered pillows and Egyptian cotton sheets.

The master suite delivers pure luxury with panoramic sea views, freestanding bath, 2m x 2m Emperor bed, Jonathan Adler chaise-longue and bespoke designer mirror wardrobe & island unit.

Each bedroom is fully equipped with individual air conditioning, Sonos or Bose systems, and remote-controlled blackout blinds for sleep and relaxation at any time of day.

Villa Aquamarine is about luxury villa living and offers three dining areas for guests enjoyment.

Indoor Dining – seated dining room located in the main house for 12 people – overlooking the water feature, 25-metre swimming pool and views across the Med to the Spanish main land & mountains of Valencia.

Pool Terrace Dining – seated terrace après dining for 10 people – close to both the central & staff kitchen, ground floor terrace bar and covered by bespoke shade sail.

Olive Grove Dining – away from the main house in the entertaining pavilion area is the majestic Seletti monkey table and bespoke shade sail for formal dinner or casual lunch dining of 20 people. This area also contains the Outdoor Pavilion Kitchen which is framed by Ibiza dry stone walls, the ancient olive grove, two 3-metre Corten steel water fountains, separate raised chill-out and fire-pit area, and contains full facilities (indoor shower, toilet and dual-basin washroom).

Villa Aquamarine offers unique private and secluded areas throughout the villa and grounds to take in the day, sunset or evening. From raised chill-out areas with bespoke sail coverage, to citrus and olive groves, palm tree lined manicured lawns and alabaster white marble terraces; Villa Aquamarine has over nine discrete and private areas to relax during your stay.

Villa Aquamarine also provides two large entertaining and sunset roof terraces with panoramic views of the ocean and Cala Tarida.
