

VILLA BAN SAIREE - OVERVIEW

Villa Ban Sairee is one of Samui's most impressive luxury villas, with five distinct luxury residences scattered across an unrivalled three-acre beachfront escape.

Discover five-star quality accommodations situated within antique converted rice barns, bespoke teak pavilions, and a dramatic main villa. Experience inviting luxury spaces including a media room, lavish lounges with open walls, and huge outdoor terraces with elegant outdoor dining tables, providing the perfect place to enjoy mouth-watering cuisine cooked by the villa's private chef.

This staffed villa offers amenities for guests of all ages to enjoy, with sports facilities such as flood-lit tennis, a sunken trampoline and a yoga deck, wellness activities such as a heavenly outdoor massage cabana, and watersports including paddleboards and kayaks available from the estate's watersports pavilion. At the centre of the estate is the villa's beautiful outdoor swimming pool and sun terrace, while the stunning sandy beachfront is just a few steps away, making this the ultimate escape to Thailand's Samui coast.

Accommodation

Villa Ban Sairee offers nine bedrooms across four distinct residences within the three-acre estate.

Main House

This building has a total of six bedrooms. There are two master bedrooms that are each interconnected to kids' bunk rooms. Additionally, there are another two bedrooms, each with twin beds.

Sairee Suite

This honeymoon-style suite has a four-poster bed with a private sitting area and a luxurious indoor and outdoor bathroom with dual shower.

Big Barn

This large converted antique rice barn stands in a field of palm trees with its own direct access to the secluded beach and bay. The Big Barn is only available when booked as part of the whole Ban Sairee Villa, and features a king or twin bed setup with an en-suite bathroom.

Small Barn

This smaller converted barn is only available when booked as part of the whole Ban Sairee Villa and has a king or twin bedroom, an en-suite bathroom and lots of charm. Access is via steep stairs not suitable for those with mobility concerns.
