

Villa Clara - Overview

Villa Clara is a three bedroom villa that combines old charm and new features. The villa can accommodate up to five guests and is located in the countryside area of La Font, below the backdrop of the Serra Tramuntana mountains.

A staircase from the dining area leads up to the sleeping accommodation, which has parquet flooring throughout. A master bedroom featuring double bed and ensuite is to the left of the stairs. To the right of the stairs, a hallway leads to the single bedroom and separate shower room. This bathroom is shared with the third bedroom which has a double bed and boasts its own private terrace. All bedrooms are air conditioned (timetable from 1:00 pm to 3:00 pm and from 7:00 pm to 07:00 am).

The original old part of Casa Clara has been beautifully restored and renovated. A new extension has been added. From the front terrace, glass doors lead into the spacious open plan dining area with vaulted ceilings. A spacious lounge area with TV is off to the right. Large, floor to ceiling glass sliding doors lead out to the covered terrace where you will find a BBQ and alfresco dining table.

At the end of the hallway is a well equipped kitchen with granite marble effect worktops. Off this area there is a pantry and a utility room where the washing machine is located.

The terrace is covered with natural stone coloured tiles and line the swimming pool which has wide, Roman steps leading into the water. The pool is located to the right of the villa where you will also find sun loungers. For added convenience there is also a poolside shower room and WC.

For families, the small lawned area is the perfect place for children to play on. There is a table tennis for added entertainment.
