

## Villa Cleo - Overview

Villa Cleo is a lovely two bedroom villa located 200 meters from the main road, via roman steps and a downhill path. Villa Cleo is tucked away amidst the beauty of the Positano coast and although in a peaceful and tranquil setting, it is just a few minutes walk from shops, bars and restaurants.

### Bedrooms

1 King bedroom with sea view and en-suite bathroom with tub and stall shower

1 independently accessed queen/twin bedroom opens onto the terraced garden with sea view and en-suite bathroom with shower.

The sitting / dining area is bright and features whitewashed walls, ceramic white tiles, traditional style wooden table and chairs, comfortable soft sofa and satellite TV. French door opening onto the private terrace, which runs the length of the property offering breathtaking sea views. The kitchen is compact but well equipped.

Outside, the terrace is furnished and features a dining area under a romantic pergola and a table for 4 persons. The seating area with lounge chairs is the perfect place to enjoy an afternoon limoncello and watch the sunset. From the terrace there is a private staircase with 200 steps to the shared outdoor swimming pool (shared with properties of the same estate) overlooking the bay and to a semi-private pebbled beach, a rare asset in Positano.

Villa Cleo is a great villa for a small family or two couples. The hustle and bustle of Positano is just few minutes away.
