

Villa Mariposa - Overview

Villa Mariposa is set on a hill just outside Nosara and has spectacular views across the tropical rainforest and Pacific Ocean. This stunning villa has four bedrooms, but can be rented out alongside neighbouring Casa Colibri for a large family or groups of friends.

A covered terrace with sitting and dining areas is the perfect place to relax and enjoy the views. The property is nestled within lush foliage and features an infinity pool.

The four bedrooms are air-conditioned, two feature en-suite bathrooms and two share a bathroom. An extra day bed in one of the bedrooms allows for a ninth guest to be accommodated.

Bedroom One – King-size bed, private bathroom, security box and ocean view

Bedroom Two – Queen-size bed, shared bathroom with room 3, security box and ocean view

Bedroom Three – Queen-size bed, shared bathroom with room 2, security box and ocean view

Bedroom Four – Queen-size bed, shared bathroom with “very small room”, security box and garden view

Villa Mariposa has a roof terrace and day bed so you can relax and read a book or simply admire the panoramic tropical views. For the more active guests, there is access to a nearby shared tennis and soccer court.

The villa is located near to the town of Nosara making it within easy reach of nearby shops, bars and restaurants. The nearest beach is 10km away – only a 15 minute drive on scenic mountain roads. The famous surfing beach of Playa Guiones is only 20 minutes away by car, or if you wish to see the turtle nesting sites, then a vista to Playa Ostional is highly recommended and will take approx. 35 minutes by car.
