

Villa Serena - Overview

Villa Serena is a luxury villa offering over 6100 square feet of living space and located in a prime beachfront location. The villa features five bedrooms, five en-suite bathrooms and 2 further guest bathrooms.

Villa Serena is the epitome of a luxury beachfront holiday villa. This newly remodelled residence is spectacular for a family getaway or to celebrate with friends.

There is a beautiful new pool, jetted tub, fire pit, exterior bar, gas BBQ, wood and marble deck to create an outdoor living space guests will enjoy. Indoors is a home entertainment system with satellite TV and surround sound, purified water and Wi-Fi access.

The living room, dining room and master bedroom have breathtaking views over the infinity edge pool and the calm blue warm waters of the Sea of Cortes.

All bedrooms feature en-suite bathrooms and flat screen televisions. The state-of-the-art granite counter top kitchen lends itself to entertaining in style.

Please note: There is construction next door to the villa until further notice. Please ask for more details.
