Villa Stradivari is an opulent and impressive Italian villa set within easy reach of Sorrento. This grand three-floored property is nestled within two acres of beautiful grounds, complete with a panoramic swimming pool and a charming pergola.

Inside, the villa is designed with meticulous care, adorned with artistically painted frescos and artisan ceramic tiles and boasting stunning sea views from multiple vantage points. The combination of a commercial-grade kitchen and a smaller, intimate kitchen ensures that meal times are a joy, and the numerous sitting areas provide plenty of opportunity for relaxation.
